# **SCRA** Scott County Regional Authority

lowa law provides that only "non-profit" organizations can apply for a gambling license. In Scott County, two organizations were formed and hold the license for the casinos including the Scott County Regional Authority (SCRA). The mission of the SCRA is to serve the needs of the residents of Scott County, Iowa through the distribution of gaming funds received from the Isle of Capri Casino – Bettendorf.

The SCRA provides funding through a grant process. The funds are generated from gaming receipts received through the Isle Casino Hotel Bettendorf. Funds are awarded twice per calendar year. Applications with guidelines and procedures are available online at www.ScottCountyRegional Authority.com. The current cycle grant applications are made available March 1 and September 1, being due April 1 and October 1, respectively. Grants are read by 3 panels; government, education and non-profit. Panel members read and score each grant which is then averaged with the scores from other panel members. The entire panel then meets to discuss, review and determine awards.

The Scott County Regional Authority Board of Directors made the decision to suspend their regular spring 2020 grant cycle and provide a new grant opportunity to assist organizations with needs relating to the COVID-19 pandemic. The SCRA Board paid out the special COVID-19 cycle funds without the usual reimbursement documentation requirements and significantly changed the funding criteria to include general operating expenses. The board also defined two funding priorities for this unique cycle:

- Organizations or projects serving populations that were already vulnerable before or are disproportionately affected by the COVID-19 pandemic.
- Organization support due to lost revenue or increased demand for services as a result of the COVID-19 pandemic.

As a result, the majority of grant requests were for operating expenses such as salaries and other needed day-to-day expenses that fell under the adjusted criteria for pandemic response.

Additionally, all spring and fall 2019 grant award reimbursement deadlines were automatically extended six months.
